Brooklyn Fingerless Mitts

Materials
1. Worsted weight (size 4 medium) yarn
2. Hook – G (4.25mm)
3. Two ¾ inch wooden buttons

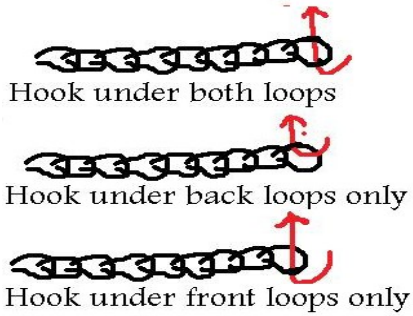

Gauge
Using G hook, 16 sc rows worked in back loops = 4 inches

Size
Finished size: 3.5 inches wide and 7 ½ inches long

Yardage
100 Yards for a pair

Stitch Explanation
Extended Single crochet (esc): Insert your hook in to the next st and pull up a loop, yarn over and pull through one loop, yarn over again and pull through the remaining 2 loops on hook.-----1 esc completed

Work in Back loops or Front loops only: See the picture below to learn what it means to work into back loops only or front loops only. When making a regular stitch the hook is inserted under both the loops as seen in 1st diagram below but inserted only in to one of the loops in case you are working into back or front loops.

Stitch Abbreviations
Pattern is in standard American terms.

sc- single crochet

esc- extended single crochet

sl st- slip stitch

ch- chain

sk- skip

All the pictures have been numbered sequentially and grouped at the end of the written pattern.

Pattern

With G hook chain 12.

Row 1: 1 sc in 2nd chain from hook and each chain across. **Turn.**----------11 sc
Row 2: Working in back loops only, ch 1 (not counted as a st) , 1 sc in back loop of the same st as ch 1, 1 sc in back loop of next 10 stitches. **Turn.**---------- 11 sc

Repeat Row 2 till your work measures 7 inches. Do not stretch your band while measuring. Now slip stitch the two shorter ends together inserting your hook through the front loops of the stitches on your last row and the free loops on the very first row to form a circular band as show in **Pic 1** below. See Stitch explanation for working in front loops. I got 14 ridges in the band including the ridge formed by slip stitching the ends together. Now the rest of the mittens will be worked in the round.

Round 1: Ch 1(does not count as a st), proceed to work a round of sc all around the band , making 1 sc in each sc row end (one in each ridge and trough). Sl st to the first sc. Do not turn. See **Pic 2** below. --------- 28 sc
Round 2: Ch 3 (counts as first esc and ch 1), skip 1 st, *(1 esc in next st, ch 1 , skip 1 st), repeat from * till end of the round. You would have reached the beginning ch 3, do not turn.---------- 14 esc in the round.

Note: Esc is the stitch right before it to the right and not the one right on top of it. See **Pic 3** below to find out where to insert your hook to make an esc.

Round 3: Work 1 esc in to top of beginning chain 2 of previous round, place a marker in the esc you just made. The marker will show you where R**ound 3** started. *(1 esc in next esc, ch 1, sk 1 st), repeat from * till you reach back near the marked st. Do not turn.---------- 14 esc
Round 4: 1 esc in marked st, move the marker up in to the esc you just made, ch 1, sk 1 st, *(1 esc in next esc, ch 1, sk 1 st), repeat from * till you reach back near the marked st. Do not turn.---------- 14 esc

Repeat **Round 4** four more times. Every time you reach back near the marked stitch you would have completed one round.

For Left Mitten Only
Next Round (Round 9) : 1 esc in marked st, move the marker up in to the esc you just made, ch 1, sk 1 st, *(1 esc in next esc, ch 1, sk 1 st), repeat from * 2 times, 1 esc in next esc, chain 3 loosely, skip a total of 3 stitches, *(1 esc in next esc, ch 1, sk 1 st), repeat from * till you reach back near the marked st. Do not turn.----------

Copyright ©2010 CrochetDreamz. All Rights Reserved

13 esc

The skipped stitches will form the hole for your thumb.

For Right Mitten Only
Next Round (Round 9) : 1 esc in marked st, move the marker up in to the esc you just made, ch 1, sk 1 st, *(1 esc in next esc, ch 1, sk 1 st), repeat from * 8 times, 1 esc in next esc, chain 3 loosely, skip a total of 3 stitches, *(1 esc in next esc, ch 1, sk 1 st), repeat from * till you reach back near the marked st. Do not turn.----------13 esc

The skipped stitches will form the hole for your thumb.

Continue for both Right and Left Mittens
Round 10: 1 esc in marked st, move the marker up in to the esc you just made, ch 1, sk 1 st, *(1 esc in next esc, ch 1, sk 1 st), repeat from * till you reach the chain 3 of previous round, work 1 esc in to the ch-3 space, ch 1, *(1 esc in next esc, ch 1, sk 1 st), repeat from * till your reach back near the marked st. Do not turn.---------- 14 esc

Round 11 & 12: 1 esc in marked st, move the marker up in to the esc you just made, ch 1, sk 1 st, *(1 esc in next esc, ch 1, sk 1 st), repeat from * till you reach back near the marked st. Do not turn.---------- 14 esc

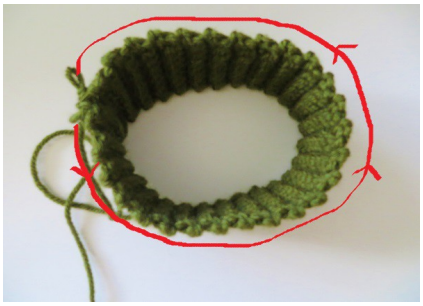

Round 13 (Last Round): 1 **regular sc** in the marked esc, sl st to the next ch 1. This would have evened out the edges. Ch 1, 1 sc in next st and each st across, sl st to beginning ch 1. Fasten off.

Finishing
Weave in any tails left and sew two wooden buttons on to the ribbed band for embellishment.

PICTURES

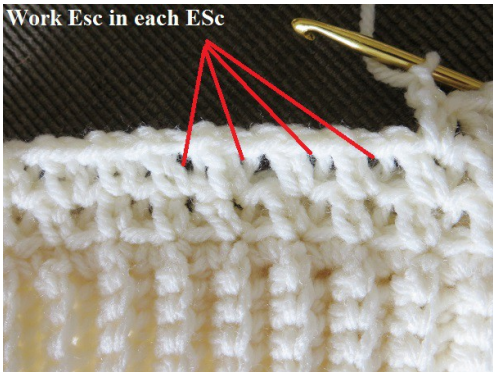

1. Sl stitch the first and last rows together

2. Work a round of sc across row ends
