NOTES & OTHER ABBREVIATIONS:

- **R1:** Round 1 - A shorthand way to indicate a specific round.
- **BEG:** Beginning
- **REP:** Repeat - Repeat the instructions starting at the asterisk (*).
- **SK:** Skip - Skip the indicated st.
- **PREV:** Previous - The st or round you just worked.
- **JOIN:** shorthand for ending each round - Slip stitch in the 1st st of the round.
- **YO:** Yarn Over - Wrap or lay yarn over hook.
- **FO:** Fasten Off - Cut yarn tail. Pull up the loop on the hook and pass your yarn tail through. Pull tight to close. Weave in ends.
- Magic Ring - See my photo tutorial on page 7, or my YouTube video tutorial http://www.youtube.com/watch?v=chZReX6t0RE
- To Change Colors: Finish last st of round to last two loops on hook, YO with new color and pull through. JOIN with new color.
- Same St - The same st as the join, at the base of your beginning ch 1.
- Ch 2 counts as a dc; Ch 1 does not count as a st.
- PAY ATTENTION to where you start your stitches in each round so your waves line up properly. See my YouTube video tutorial for more help: http://youtu.be/7SoJuB_ICEI
- You do not need to cut the yarn after each round. Carry each color up the seam and pick it up when you need it again. Be sure not to pull too tightly or leave the yarn too loose. The yarn strands won't be felt or seen when worn. This will give you fewer ends to weave in and make a ravel-resistant beanie.
