## Pattern Notes

The size and gauge on page two are given as guide but aren't critical as you can just keep adding rows to this blanket until you have the size you are happy with. The only thing you need to do is make sure you keep to an even number or rounds, or the border won't work out nicely.

I worked a total of 68 rows for mine and you can follow the colours exactly using the Colour Guide on page 5 if you like.

✻ If you don't want to change colour at the end of any round, simply make a ss into the corner space then start the next round.

## My Classic Granny Square

In Round 1 colour yarn, 4ch, ss to 1st ch to make a loop.

**Round 1:** 4ch, *3tr into loop, 2ch,* repeat from * to * twice more, 2tr into loop, ss into 3rd ch of starting 4ch.

Break yarn and join new colour to corner space.

Break yarn and join new colour to corner space.

**Round 4:** 4ch, 3tr into same sp, *1ch, work (3tr in next sp, 1ch) for each sp along the side then (3tr, 2ch, 3tr) into corner sp,* repeat from * to * twice more, 1ch, work (3tr in next sp, 1ch) for each space along the side then 2tr into starting sp, ss into 3rd ch of starting 4ch.

Keep working more rounds as given for Round 4, changing colour at the end of each round until you have worked a total of 68 rounds. (Or you have a size you are happy with.)
