# ~ *LAPGHAN BOUQUET* ~

I absolutely love how this drapes over me when I am sitting in my chair with ottoman. It also has the same affect when sitting in a recliner. It is also large enough to be used as a shawl which both surprised and excited me. I am curious about if this pattern could be used with wheelchairs; however, I am concerned about the width. I am hopeful that it can be adjusted by leaving off the rows of four motifs on each side.

**Materials Needed:**

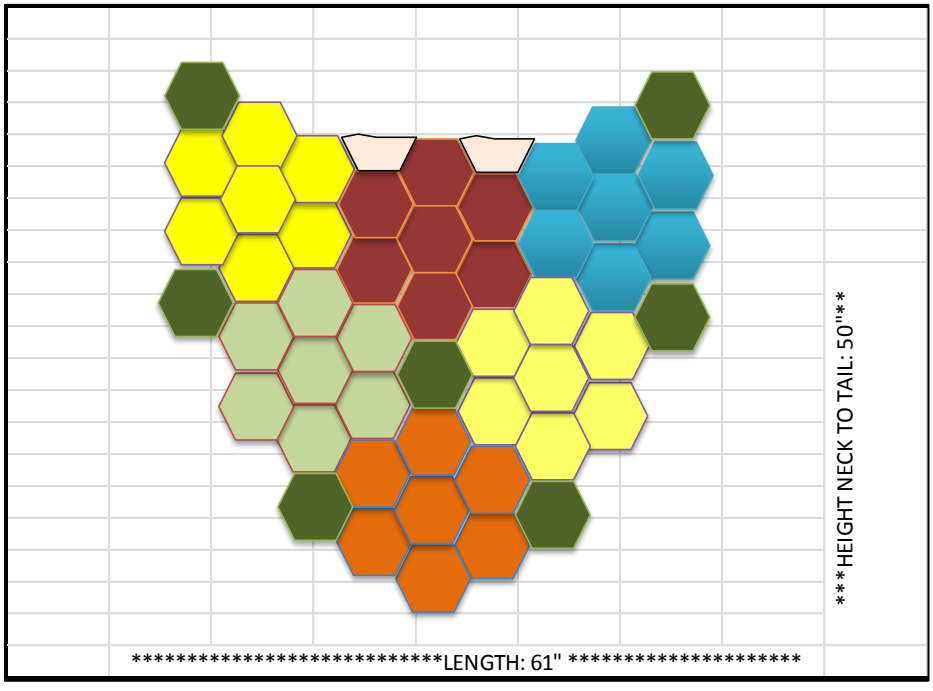

Crochet hook J

Red Heart Super Saver: I used left over yarns from other projects. Most of them didn't even have the sleeves that listed the color names. I used an ecru for the main color. Then a light beige to sew the hexagons together and to do two rounds of SC on the edging.

**Stitches Used**

Chain (Ch)
Single Crochet (SC)
Double Crochet (DC)
Slip Stitch
Long Single Crochet

**Chart for Assembly:**

**Size of Each Motif: 7" across**
