

Krissys Wonders Presents
Large Shell Basket with a Drop Over Lace Edge

Hold two strands of any worsted weight yarn. Red Heart Super Saver is wonderful, but any worsted weight yarn is good. Stiff yarns are best. I used Red Heart Super Saver. 300 to 400 yds of MC and 200 to 250 yds of CC.

Hook: L- 11/8mm

K- 10.5/6.5mm

G-6/4.0mm

Pictorial Instruction for High Back Post Half Double Crochet - H BP HDC; This is not the standard way of executing a H BP HDC, but is how to execute for this basket...so I am calling it a High Back Post Half Double Crochet.

High Back Post Half Double Crochet

Pic 1: The two pins show the openings directly below the "V" loops. This is where you will insert your hook from back to front. You are HIGH above the main post of the stitch.

A normal BP HDC is worked under the top 3 loops of the HDC, around the main post. The High BP HDC will be above the main post, up high, directly under the "V" loops, high above the post.

Pic. 2: Showing the hook being inserted from the back, high above the main post.
