Crochet Mesh Kimono Jacket, size M

Material:

Cotton yarn, 500 g, (165 m / 50 g)
Crochet hook, size 3
Ballpoint needle

Instruction:

Back:

Start with 195 ch, then follow the chart.
You will have 30 small squares per row, work 44 squares height.

Then the last square row (= 45th row) - for shoulders and neck:
Work 10 squares on each side for the shoulders, let the 10 squares in the middle uncrocheted (for neck).

Front:

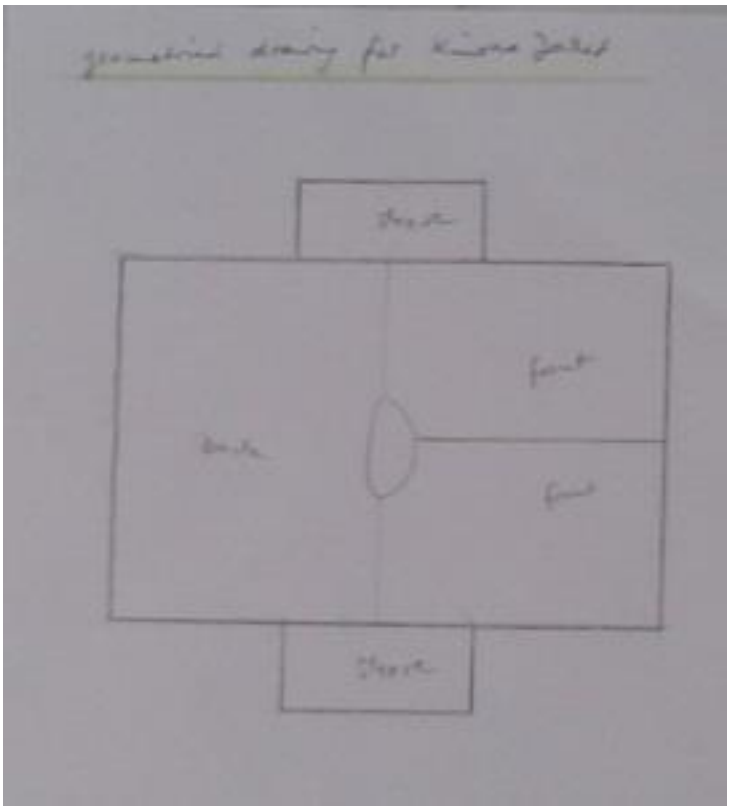

Start with 95 ch, then follow the chart.
You will have 15 squares per row, work 40 squares height, then start with the neck:
Let 3 squares uncrocheted, and 2 x 1 --> you will have 10 squares for the shoulder. Finish after 45 squares height.
Work the other front on contrary.

Sleeve:

Before you start with the **Sleeves** close the shoulders of back and front parts.

Work the sleeve over 26 squares. Start directly to the outside edge of the front and back part, where the shoulder seam is the center of the sleeve.

Crochet 10 squares for the length of the sleeve. Work the other sleeve same way.

Assembly:

Close all side seams, use the ballpoint needle and cotton thread. Iron the jacket carefully.
