PATTERN NOTES

**The scarf is knitted from the bottom up as equal halves, then, joined in the center with the Kitchener Stitch.

**Please note that if there are symbols on the right side of the chart you will do what it says for that row and the same for the wrong side rows of the chart. The chart begins with row 1--odd rows (Right side of scarf) and is worked from right to left, the (wrong side) rows—even rows are worked from left to right.

**Please be aware that sometimes there are yarn-overs before or after a purl stitch and if you miss one it could throw off your stitch count.

****Knitted Cast-On Method**--work as follows: place slip knot on left needle,* insert needle and knit a stitch, then place created stitch back onto the left needle; repeat from * until required stitches are placed on left needle.

**The written out instructions uses parenthesis for repeats such as this example: (yo, ssk, k) x 2. In other words repeat what is inside the parenthesis 2 times. Read each line carefully and compare to the chart for visual assistance if needed.

****Bobble**—into stitch required, work [k1, (yo, k1 x3)]; turn; purl all 7 loops together; turn; slip the stitch over onto right hand needle.

**Stitch count always remains the same throughout.
