Round 7.) Ch 2, *FPDC in first DC, 6 DC in stitch you just worked FPDC. Work from * until end of round. Join with slip stitch in starting FPDC.

Round 8.) Ch 2, *FPDC in first DC, 7 DC in stitch you just worked FPDC. Work from * until end of round. Join with slip stitch in starting FPDC.

Round 9-16.) Repeat row 7.

Round 17.) Ch1, BPSC in each regular DC until end of round. Do not work in any of the FPDC. Join with slip stich in starting SC. Fasten off.

Round 18.) Join new color in the next stitch from where you fastened off the last color. Ch1, *SC in next 5 stitches, SC Decrease in next 2 stitches, Repeat from * to end of round. Fasten off.

Trim

Row 1.) Join onto hat 8 stitches from where you fastened off and in the opposite direction, leaving a really long tail. Ch1, SC in next 60 stitches. Ch 1 and turn.

Row 2-8.) Ch1, SC in each stitch until end of row. Ch 1 and turn. Fasten off after 8th row, leaving a really long tail.

Cabling

Using 2 strands of yarn, working from the right/top/finished side of the trim, starting on the far left, and leaving a really long tail, pull up a loop in the first space between

stitches from the first row of SC. Pull the loop to 3 spaces, then insert your hook back in the 2nd space and pull up another loop. Repeat pulling the loop 3 spaces and then pulling up another loop in the 2nd space to the end. Insert your hook from the backside and pull the last loop down to the backside and fasten off leaving a really long tail. Repeat this entire process on the edge using the spaces created with the 7th and 8th rows of SC.

Using 6 strands of yarn, working from the right/top/finished side of the trim, starting on the far left, and leaving a really long tail, find the spaces that are in the center between the previous two cable and pull up a loop in the first space. Pull the loop to 6 spaces, then insert your hook back in the 4th space and pull up another loop. Repeat pulling the loop 6 spaces and then pulling up another loop in the 4th space to the end. Insert your hook from the backside and pull the last loop down to the backside and fasten off leaving a really long tail.

Tassels

Using the really long tails from the cables and the start and finish of the trim, add 8-10 extra strands to each side to fill in gaps. Braid the two sides and finish off.

Finishing

Weave in the 4 remaining strands. Create a pompom and fasten to the top of the hat.
