Onyx Scarf

Designed by Heidi May

Materials needed:

- U.S. 17 (12 mm) 24 inch circular or straight needles (worked flat)
- Super bulky weight yarn (255 yards small, 300 yards medium, 405 yards large) Lion Brand Hometown USA yarn used
- Super bulky weight yarn for contrast fringe (approx. 45 yards) Lion Brand Hometown USA yarn used

Gauge: 11 stitches/14 rows = 4x4 inch square in garter stitch

With the U.S. 17 (12 mm) needle, cast on the number of stitches needed for the size scarf you will be making.

Cast on 18 (small)	approx. 6.75 inches width
Cast on 22 (medium)	approx. 8.5 inches width
Cast on 26 (large)	approx. 10.25 inches width

**The width of this scarf is easily adjusted by adding or omitting stitches when casting on depending on how thick or thin you may like it, making sure to go up or down in 4 stitch increments. Pictured is size medium on a 6.5 year old.

Scarf:

Row 1: knit

Row 2: k1, * [k2tog through the back loop, bring yarn to front, p2tog] all in the next stitch together, repeat from * to last stitch, k1.

Repeat rows 1-2 until the scarf measures in length approx.: 50, 70, 90 inches.

** The length of the scarf is easily adjusted depending on how long or short you may like it by adding or omitting row repeats 1-2. Also the scarf can be adjusted by width and length. For example you can make the smallest size for width and the largest size for length to get a more narrow long scarf or the largest size for width and shortest size for length to get a wider and shorter scarf that would fit a bit more like a wrap.

Onyx Scarf

Designed by Heidi May

Bind off all stitches as follows: * k2tog through the back loop, place stitch from right needle to left, repeat from * all across.

Break yarn and weave in all ends.

Approx. finished measurements:
Small: 6.75 inches width x 50 inches length
Medium: 8.5 inches width x 70 inches length
Small: 10.25 inches width x 90 inches length

Optional fringe:
For the fringe you will be cutting pieces that are 25 inches in length.
Small: 9 in main color, 9 in contrast color
Medium: 11 in main color, 11 in contrast color
Large: 13 in main color, 13 in contrast color

When adding the fringe I added them along the beginning and ending of the scarf. Fold the 25 inch piece in half and pull the loop through the first stitch, then pull the two ends through the loop and pull snug to secure. Work like this in each stitch all across each end of the scarf. I alternated mine so I worked 1 in main color, 1 in contrast, back and fourth all across. Once all fringe has been added lay the scarf out flat and trim ends to make them even.
