

Camera Buddy

@Elif T. - zipzipdreams

Yarn / İp / Fonal:
Schachermayr Catania.

Hook / Tığ / Horgolótű:
2,5 mm

Abbreviations:

<< sc = simple crochet

<< *x = repeat x times

<< slst = slipstitch

<< hdc = half double crochet

<< ch = chain

--- I have used 1 piece 4 mm safety eye, a little bit of fiberfill and some black embroidery thread

Stitch explanation:

Decrease (sc2tog) - Insert hook into a st and draw up a loop. Insert hook into next st and draw up a loop. Yarn over, draw through all 3 loops on hook.

Decrease (sc3tog) - Insert hook into a st and draw up a loop. Insert hook into next st and draw up a loop, repeat one more time. Yarn over, draw through all 4 loops on hook.

PATTERN:

LENS: start with soft pink color

1. row: magic ring and 6 sc into it.

2. row: 2sc in each st around (12)

3. row: (sc in next st, 2sc in next st)*6 (18)

4. row: (sc in each of next 2 sts, 2sc in next st)*6 (24) **change to white color**

5. row: sc in next st, 2sc in next st, (sc in each of next 3 sts, 2sc in next st)*5, sc in each of next 2 sts (30)

6. row: (sc in each of next 8 sts, sc2tog)*3 (27)

---slst into next st and cut the yarn leaving long yarntail for sewing.

CAMERA BODY:

1. ch20, from 2nd st from hook 18 sc, 3sc to the last st, back on the other side of chain 18 sc, 2sc to the last st, slst to the first st of row.

2. crochet only into the back loops in this row. Ch1, sc in each st around, slst to first st (41)

3-5. Ch1, sc in each st around, slst to first st (41) **change color**

6-8. Ch1, sc in each st around, slst to first st (41) **change back to original color**

9-12. Ch1, sc in each st around, slst to first st (41) **change color to the top color of the camera**

13-14. Ch1, sc in each st around, slst to first st (41)

15. crochet only into the back loops this row. Sc2tog, sc in each of next 17 sts, sc3tog, sc in each of next 17 sts, sc2tog. (37)

---slst into next st and cut the yarn leaving long yarntail for sewing.

CAMERA BUTTON:

ch4 and starting from the 3rd st from hook hdc in each of next 2 sts.

--- cut the yarn leaving long yarntail for sewing.

HANGER:

ch16, from the 2nd st from hook slst 15 times, cut yarn leaving long yarntail for sewing.

--- Attach the safety eye, and embroider some cute kawaii face details onto the lense, than sew it up on the camera body.

--- Fill the camera body with just a little bit of fiberfill, than sew the top edges together. You may use only the front loops of sts by sewing.

--- Sew up the camera button on the top of the camera.

--- Sew up the hanger on the corner of the camera.

Now your Camera is done, nice job, decorate it as you just wish and don't forget to share it with us on ravelry, facebook or instagram for participate in later giveaways with hashtag: #zipzipdreams. You may find me as Zipzipdreams even on Instagram and Facebook.
